

# **PropTree Mela | MoneyTree Realty's Grand Property Mela (H1)**

## **Discover Best Real Estate Opportunities at Our PropTree Mela (H2)**

Real estate investment is the most preferred option for wealth creation in India and according to the report published by IBEF, the industry is expected to surpass \$1 trillion market size by 2030. The exponential growth in the real estate business is being accelerated by favourable government policies, globalisation of the economy, and cutting-edge technological advancements.

Investing in property for sale requires due-diligence and understanding of the market trends, and MoneyTree Realty is doing just the same by continuously striving to channelise the process of buying properties with a client-centric approach that resonates with the rules and regulation in the RERA Act 2016.

To take things further, MoneyTree Realty - the leading channel partner in real estate, is bringing one of its kind realty expo 'PropTree Mela' on 2nd October at Radisson Blu Sector 18, Noida. This grand Property Mela exhibits state-of-the-art commercial and residential properties from leading real estate developers in India such as M3M Group, Paras Buildtech, Godrej Properties, Devika Group, Axis Ecorp, Krisumi Corp and many more.

In the Property Mela, our team of professional real estate consultants would provide valuable insights into market trends, offer their expertise into property analysis, and help you make a strategic and promising real estate investment, along with exciting prizes and top-notch after-sales support.
